Annual Spring Historic Trip to Niagara Falls, Canada

Passports are required:

We need to know how many of you need a passport.

If we can get enough people who would like to get a passport we'll try to get someone to come to the Church and do it there. This would be open to all family members of Troop 5 Scouts. Regardless of whether there going on the trip or not.

Please email Mr. Morehouse with a passport head count a.s.a.p.
